

EU TYPE EXAMINATION CERTIFICATE (Module B)- PRODUCTION TYPE

No.	02-002819/024785
-----	------------------

THIS IS TO CERTIFY:

that CROATIAN REGISTER OF SHIPPING did undertake the type examination of the products identified below which were found to be in compliance with the requirements of the Directive 2014/68/EU, as amended which apply to them.

Name of manufacturer:	SCOTT Health & Safety Ltd
Address:	Pimbo Road, West Pimbo Skelmersdale, Lancashire, WN8 9RA, UNITED KINGDOM

Product name and description:	Breathing air and miscellaneous assemblies
	SCBA type, PS 200 bar;
	SCBA type, PS 300 bar;
	SCBA type, PS 379 bar;
	Escape and Flite type, PS 200 bar;
	Escape and Flite type, PS 300 bar;

Field of application/limitations on the use of the product (if any):	
	Breathing air assemblies comprising of CE certified breathing air cylinders in steel, composite wrapped steel and aluminium plus associated valves and appurtenances
	design pressure: PS up to 400 bar G
	design temperature: TS -40°C to +60°C
	Each breathing air assembly comprises the breathing air cylinder certified under Modules B+C2 or B+D or B+F with the valve/ regulator which falls into sound engineering practice.

Notes:

- This Certificate ceases to be valid in case of modification in product design or manufacture from the approved type . The manufacturer must inform the Croatian Register of Shipping of any modification to the product in order to obtain additional approval.

Cylinder and valve combinations

SCBA type, PS 200 bar

Any cylinder with part number- 1020024, 1020055, 1020132, 2004465, 2005550 or 2015400 in combination with any valve with part number- 1031284, 2007736, 2011574, 2018642, 2018643, 2020449, 2020451, 2020453, 2020454, 2020456, 2021676 or 2021677

SCBA type, PS 300 bar

Any cylinder with part number- 1020012, 1020197, 1020205, 1020213, 1020244, 1020271, 1020498, 2004468, 2009783, 2017886, 2017942, 2018722, 2019431, 2019433, 2019491, 2021479, 2021480, 2023131, 2023528, 2024223, 2025961, 2026853, 2027134, 2027135 or 2033217 in combination with any valve with part number- 1031285, 2007738, 2011572, 2018644, 2018645, 2019220, 2019429, 2020450, 2020452, 2020455, 2020457, 2021678, 2021679, 2023705, 2026033 or 2031466

Cylinder part number 1020498 with valve part number 1031437 or 2026361

SCBA type, PS 379 bar

Any cylinder with part number- 8000021, 8000022 or 8000023 in combination with any valve with part number- 8000032 or 8000062

Escape and Flite type, PS 200 bar

Any cylinder with part number- 1020024, 1020055, 2005550, 2018722 or 2031505 in combination with any valve with part number- 1029729, 1030588, 1031203, 1031221, 2007113, 2009639, 2009734, 2011630, 2014377, 2018755, 2020762 or 2031521

Escape and Flite type, PS 300 bar

Any cylinder with part number- 1020244 or 2018722 in combination with any valve with part number- 1029724, 2016894 or 2031520

Issued by: Croatian Register of Shipping, notified body Ident. no.: 2489

Certificate is valid until: 2029-10-22

Place and date: Split, 2019-10-22

Seal Signature
